1. INTRODUCTION

Our Corporate Social Responsibility (CSR) company policy refers to our responsibility toward our environment.

Our company’s existence is not lonely. It’s part of a bigger system of people, values, other organizations, and nature.

The social responsibility of a business is to give back to the world just as it gives to us.

2.2. POLICY ELEMENTS

We want to be a responsible business that meets the highest standards of ethics and professionalism.

Our company's social responsibility falls under two categories: compliance and proactiveness. Compliance refers to our company's commitment to legality and willingness to observe community values. Proactiveness is every initiative to promote human rights, help communities and protect our natural environment.

2.4. EXAMPLES OF CORPORATE SOCIAL RESPONSIBILITY

Protecting the environment

Our company recognizes the need to protect the natural environment. Keeping our environment clean and unpolluted is a benefit to all. We'll always follow best practices when disposing garbage and using chemical substances. Stewardship will also play an important role.

Protecting people

We'll ensure that we:

- Don't risk the health and safety of our employees and community.
- Avoid harming the lives of local and indigenous people.
- Support diversity and inclusion.

Human rights

Our company is dedicated to protecting human rights.

We are a committed equal opportunity employer and will abide by all fair labour practices.

We'll ensure that our activities do not directly or indirectly violate human rights in any country (e.g. forced labour).

2.5. PROACTIVENESS

Donations and aid

Our company may preserve a budget to make monetary donations.

These donations will aim to:

- Advance the arts, education and community events.
- Alleviate those in need.

We may from year to year decide to dedicate partially or in total this preserved budget e.g. to helping disabled, local children, youngsters or athletes. E.g. in 2022-23 we dedicate our effort helping a young Irish elite kayaker living and training in our local community.
